

**POLAND...** BY CAMPBELL.

Yes! the sword lords, uplifted hand I shall see  
One man has yet a soul—and dare be free!

A little while, along thy sounding plain,  
The stately noise of Desolation reigns;

Truth falls—Truth falls—

Tyrants—ye who train the wizard ring;

Let us, let us! Mind who made spring;

What can ye roll the wind? who stop?

Arrest the rolling world, or close the deep?

No! the wild wave comes on your accepted hand—  
It rolled back when Canute gave command!

It rolled back when Canute gave command!
